

SHOP LOCAL WEEK

October 10th to the 16th

How it Works:

- Residents are asked to drop off receipts or copies of receipts from local purchases at the Chamber office or Mesa Mall by close of business on Oct. 17th with their name and phone number legibly written on the back
- There will be a drawing from all entries at the Business Showcase on Oct. 18th for prizes
- Individuals will only be eligible for one prize per person regardless of the number of entries submitted
- The more entries you have the greater chance you have of winning a prize

You Can Help:

- Donate a prize to help increase awareness and participation
- Post a sign at your cash register reminding customers to drop off receipts

Prize donations will be recognized in print, through Chamber publications and at the time prizes are awarded.

We hope you will participate!

Sign me up to help promote the shop local week by a prize donation;
