

GIVE A CHILD A *Voice*

Court Appointed Special Advocates are community volunteers trained to advocate for the best interests of abused and neglected children. CASA volunteers are officers of the court and report back to the court about the status of the child and his/her case.

Your **voice** can make a world of difference.

Volunteer Orientation

Learn about CASA and how you can help a child who has been abused.

April 20th 5:30pm
September 23rd 5:30pm
